

3-Phasen-Schienensystem 230V/400V – 16A
 3 – phase - track system 230V/400V – 16A

3-Phasen-Schienensystem, 230/400V, 16A, eckiges Profil
 3-phase-track 230/400V, 16A, square profile

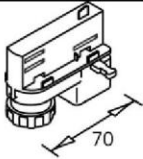

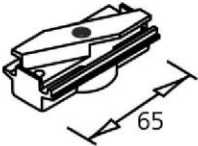

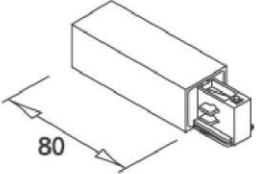

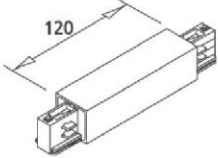

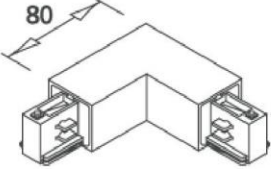

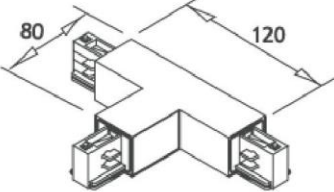

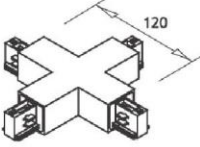

Technische Daten / specifications:

Nennspannung rated voltage	230V / 400V
Stromstärke rated current	16A / Phase
max. Leistung max power	3680W / Phase
Schutzklasse safety class	I
Schutzart protection class	IP20
Gewicht/m weight/m	ca. 1220g
Belastung load capacity	2kg / 200mm
Abstand zwischen zwei Befestigungspunkten distance between two fixing points	max. 1,0m
Gehäusematerial case material	Aluminium, Strangguss aluminium, strand casting
Abmessungen (LxBxH) dimensions (LxWxH)	Lx36x33mm

Beschreibung (L) description (L)	Artikelnummer article no.
Stromschiene L=1,0m busbar L=1,0m	600-070-xx
Stromschiene L=2,0m busbar L=2,0m	600-072-xx
Stromschiene L=3,0m busbar L=3,0m	600-073-xx

Farbversion color version	Artikelnummer article no.
weiß white	xxx-xxx-50
schwarz black	xxx-xxx-51
silberfarbig silver painted	xxx-xxx-63

Zubehör / accessories:

Bezeichnung description	Zeichnung drawing	Artikelnummer article no.
Euroadapter (5kg) euro adapter (5kg)		600-401-xx
Schwerlastanker (10kg) mechanical adapter (10kg)		600-402-xx
Einspeisung Schutzleiter rechts feed-in protective conductor right		600-118-xx
Einspeisung Schutzleiter links feed-in protective conductor left		600-119-xx
Mitteneinspeisung central connector		600-228-xx
Eckverbinder Schutzleiter innen inside L-joint		600-229-xx
Eckverbinder Schutzleiter außen outside L-joint		600-230-xx
T-Verbinder Schutzleiter rechts T-joint protective conductor right		600-231-xx
T-Verbinder Schutzleiter links T-joint protective conductor left		600-232-xx
Kreuzverbinder X-joint		600-233-xx
Endstück dead end		600-329-xx
Flexibler Verbinder flexible joint		600-234-xx

Bezeichnung description	Zeichnung drawing	Artikelnummer article no.
Elektrischer Verbinder electrical joint		600-220-xx
Mechanischer Verbinder mechanical joint		600-221-xx
Schienenabdeckung 1000mm track cover 1000mm		600-331-xx
Deckenabhängung mit Drahtseil 2000mm suspension kit with steel wire 2000mm		600-332-xx
Befestigungsplatte aluminium mounting plate aluminium		600-334
Befestigungsklammer für Deckenbefestigung mounting bracket for seiling kit		600-333

Farbversion color version	Artikelnummer article no.
weiß white	xxx-xxx-50
schwarz black	xxx-xxx-51
silberfarbig silver painted	xxx-xxx-63

Hinweise / note:

Eine ordnungsgemäße Schutzleiterverbindung zwischen allen Komponenten ist zu gewährleisten.
A correct connection of the protective conductor between all components must be guaranteed.
